

CHIEF MINISTRIES

Therefore my heart is glad and my glory rejoiceth, my flesh shall rest in hope Ps 16:9

February 2009

Greetings my brothers!

May this letter find you basking in His presence, knowing He does have a hope and a future fully laid out for you! Love is always the central theme of these writings but there abideth also Faith and Hope.

And now abide faith, hope, love, these three; but the greatest of these is love. 1 Cor 13:13

We know what the greatest of these is, and my prayer is that you reciprocate that love back to the Giver of the greatest love ever known, your Savior.

But what about Hope? I feel sometimes our physical eyes push us towards losing HOPE. The evil one is good at throwing things in our face and saying “You see! You see! Look what has become of you! look at the surroundings where you are at. Where your loved ones aren’t at, what’s the use of continuing?”

When Satan tempted Jesus in the desert he tried to use his “eye gate” to get him to stumble and sin. But He found hope in the Holy Spirit within to resist the natural and win in the Spirit with the Spirit. So can we! The Spirit of God promises us favor and kindness, mercy, and power. Hold on! Things will not stay the way they seem forever.

Come, let us return to the Lord and he will hear us and deliver us from confusion and sadness. No matter what the devil says to you hold on to the hope that the Spirit will lead you out of the wilderness into victorious living!

Are you entertaining the Holy Spirit in your life? It’s the fire of the Holy Spirit that will help change everything for us. In Roman 8:2-5 it says;

Through him we have obtained access by FAITH into this grace in which we stand and we rejoice in hope of the glory of God. More than that, we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces HOPE and hope does not put to shame, because God’s LOVE has been poured into our hearts through the Holy Spirit who has been given to us. Rm 8; 2-5 ESV

You see, the difficulties we face will produce good Godly character if we let them. This then, will produce hope that will help us prove that God’s Holy Spirit is in us and around us, helping us. We are friends of the Holy Spirit whatever the situation, the Holy Spirit enables us to conquer all things through what Jesus has done for us.

C h r i s t ’ s H e a r t I n E v e r y F e l o n

Are you conquering? Under God's authority all curses are cancelled so believe and receive the abundant life God has for you. This comes from Faith in him – saving faith.

For in this hope we were saved. Now hope that is seen is not hope. For who hopes for what he sees, but if we hope for what we do not see we wait for it with patience Rm 8:24-25 ESV

Now is the time to activate our spiritual eyes by believing in the future that God has for us, not what man says. Rise up men of God! Hope is Destiny! He's already won the battle! Our destiny is to rule and reign! Don't buy into the lies of the enemy. Have great faith which leads you to hope based on His love for us.

Faith is the substance of things hope for, the evidence of things not seen Heb 11:1

We begin to let the Holy Spirit be our guide; He will open our eyes to the glorious destiny that awaits us, even this year wherever you are at. No matter what you are going through, lift up your heads! See the glory of the Lord around you. You will if you're looking with the right eyes!

And finally, my brother who is a minister once told me that God allowed him to get people to HOPE which is an awesome thing because they would see the necessity to;

Help Other Peoples Expectations

as well. Can this be said of you? Help bring the message of Hope to others this month and the months to come. God is going to do awesome things!

Are you offering the greatest hope of all to those around you? It's time for the church to cast off and repent of all traces of shame in the true gospel of our Lord, renew our strength as an awakened warriors and proclaim Christ in all areas of our lives

Real power is not about academic religiosity or scholarly presentation. Its about our own testimony and experience with God, declaring the truth boldly and trusting in His Holy Spirit to draw those with open hearts.

Be Blessed! Be used of God!

Your fellow warrior

Chief
