

# CHIEF MINISTRIES

January 2024

*“I know your deeds. See, I have placed before you an open door that no one can shut. I know that you have little strength, yet you have kept my word and have not denied my name.” – Revelation 3:8*

As we transition into 2024, let's position our ears to hear what the Spirit is saying for the days ahead. God is releasing wisdom, discernment, and direction to those who wait upon Him. This is an important time to receive fresh vision and realignment. Open your heart as the Lord speaks through His word, dreams, and the prophetic voices He is raising up. The key to navigating the new season well is staying sensitive to the guidance of the Holy Spirit each step of the way. Draw near to God and watch the transformation unfold in the year 2024!

## **Shift, Change, and Transformation**

The Lord is removing hindrances and blockages that have kept us from experiencing the fullness of His Spirit. He longs for deep intimacy with each of us. Allow Him to shake awake anything stagnant. Be willing to let go of old wineskins to receive the new wine He is pouring out. God has opened 2024 as a year of divine re-set and restoration. Walk through the door into a deeper relationship with Him and watch the transformation unfold.

## **Awakening and Realignment**

The Lord guides us into a season of radical realignment and awakening, both personally and corporately. Behind the prophetic door is deep transformation through divine re-set. Just as this ancient portal has remained closed for many years, so too have areas within our lives and the Church. God is initiating a deep shaking awake of what has been dormant and stagnant for far too long. Expect old mindsets and ways of operating to be challenged in this season. The status quo will not remain. God is removing anything hindering the fullness of His Spirit and presence. He is refining and purifying to make room for fresh outpouring.

What rust and residue has accumulated in your life? Where have you settled for complacency rather than pursuing God wholeheartedly? Allow the Lord to re-set these areas. Say yes to realignment. Let your heart surge with anticipation, for revival and awakening are upon you!

## **Entering the Realm of Renewal**

We are entering a realm of deep renewal in 2024 that will require changes in key areas: (Read and meditate on the following scriptures)

Old mindsets transformed (Romans 12:2)  
Daily patterns realigned (Psalm 5:3)  
Relationships renewed (2 Corinthians 5:17)  
Fresh inspiration in responsibilities (Colossians 3:23)  
Desires surrendered to God's will (Psalm 37:5-6)  
Wholeness and care for our temples (1 Corinthians 6:19-20)

The Lord is bringing monumental change across the earth and in your life and circumstances. Some shifts will bring blessings, while others reveal areas needing light. Do not hide from the Lord's refining work in this transition season. He uses ALL for good – to recalibrate perspectives, expose hindrances, and call us to undivided devotion. The Master Craftsman is reshaping His vessels for a greater purpose. Say yes to being molded into Christ's image.

Yield to the Potter's hands and be made new. Set your sights on the realm of renewal. It is a glorious season of awakening, revival, and outpouring. But we must first walk through the door of deeper surrender, alignment, and transformation.

### **Shaking Leads to Awakening**

Do not fear the shaking and sifting the Lord is allowing during this transition season. He uses all for good – to establish proper boundaries, expose mindsets that hinder, and call for undivided devotion. God is opening doors spiritually and empowering His people in this new era. There are kingdom doors that must be opened by force through prayer, decrees, and bold faith (Matt. 11:12). God is granting His people keys, strategies, and access to places we have not experienced before. Do not shrink back but move ahead in confident obedience to occupy the open doors.

**Monumental shifts are upon:** (read and meditate on these scriptures)

The Church – Call for Renewal and Revival (2 Chronicles 7:14)

Governments – Call for Righteousness (Timothy 2:1-2)

Medicine and Healthcare – Call for Breakthroughs (Jeremiah 30:17)

Finances – Call for Kingdom Principles to Manifest (Matthew 6:33)

Marketplace – Call for Integrity (Proverbs 11:1)

Within Ourselves – Call for Renewal (Psalm 51:10)

Media – Call for Truth (Psalm 119:160)

Between Nations – Call for Peace (Psalm 34:14)

Other shifts will initially seem negative but serve God's purpose to expose areas needing light. Do not hide from the shaking but recognize it as a catalyst for refinement. The Lord uses world events to highlight injustice, unrighteousness, and ungodly mindsets that must be confronted. He is establishing boundaries around what will not stand in His Kingdom. During tumultuous times, be a light. Walk in discernment, not fear. Stand on the unshakable Rock of Christ. Keep advancing the Kingdom through truth and love. The shaking is for our good – to awaken complacency, realign perspectives, and call us to renewed devotion. Say yes to Jesus, the Anchor through the storms. Allow Him to reshape mindsets and desires. See through the mind of Christ. Stay near to the Lord and step into new paths of purpose He is opening.

With an open heart and willing spirit, may we receive the messages God desires to reveal with prophetic understanding that will equip us to partner with His plans and purposes for the days ahead. God desires to reveal mysteries, give you fresh vision, and call you to a greater Kingdom purpose. With arms lifted, surrender fully to His plans. Stay humble as He uses you to reveal His goodness in extraordinary ways. You are called to showcase the great I AM to the world. Get ready for divine assignment as God reveals Himself through you!

As this year progresses, there will be a spirit of pruning and refining. God desires to cut off old mindsets, toxic relationships, and sinful habits that have held you back. Submit to His pruning work with patience and trust. Though it may be difficult, it is necessary for promotion and upward growth. God is cutting away hindrances so you can bear good fruit. Let go of the old and embrace the new season ahead.

Ask Him for fresh eyes to truly see what He is doing around you and within you. Be ready to think outside the limitations of your current understanding and situation. Set aside time to listen for God's voice. As you position yourself before His presence, God will bring revelation that renews your mind. You will begin to see situations and circumstances from His point of view. The closed-mindedness that has hindered you will be broken. Streams of God's strategic insight for the days ahead will flow freely to you.

Get ready to receive downloads of God's supernatural perspective and wisdom. You will operate with increased authority as Heaven's outlook becomes your default point of view. Ask and you will receive all you need to partner with God's plans. There will be a spiritual battle for the door of promise to be opened. I sense the Lord highlighting something deeper. There is a sense of God's creative work culminating, with the restoration of all that is broken. Expect to see spiritual realities manifest tangibly in the natural realm.

The coming year holds the promise of greater stability and order established by God's hand. There will be a strengthening of spiritual foundations for individuals and ministries aligned with His Kingdom. That which has seemed shaky will be secured. God is establishing firm footing for the season ahead.

The Lord is bringing greater structure, organization, and arrangement this year by divine design. We will gain insight into how He is ordering events for His purposes. Ask for vision to understand the larger tapestry God is weaving. The chaos will give way to strategic order.

This is a notable year for Heaven's manifestation on earth in extraordinary ways. Expect deeper convergence between the spiritual and natural realms. Sons and daughters will walk in authority to release breakthroughs. The Kingdom will advance as God's power is displayed through His people.

Promises long awaited will come to fruition, inheritances will be claimed, prayers answered, and dreams realized. God is faithful to complete what He began. Declare fulfillment over personal words received. Watch decades of persistent faith manifest reward. Alignment, particularly regarding the balance of priorities and harmonizing of elements in our lives. Say yes to the refining work of the Holy Spirit to bring greater alignment.

This year promises increased wholeness, healing, and restoration on many fronts. God is concerned with our well-being and total care – spiritual, physical, and emotional. Allow Him to touch broken areas of your life. Wholeness is found in pursuing His presence.

God is calling us to step into the fullness of His plans and promises. Will you walk in wholehearted devotion as He leads you to greater wholeness? The door is open – are you ready?

He is reaching out His hand, smiling radiantly, inviting us to step forward in faith. This door represents radical renewal, but it also holds deeper meaning. It is a doorway to the very heart of the Father, who longs for us to draw near. The eyes of the Lord scan the horizon eagerly for that which He loves most – communion with His children. He sees beyond our failings to the destiny for which we were created. His delight over us is unending.

Will we open ourselves fully to His presence and purpose?

Resolve to pursue Him alone with all that you are. Allow the Master Craftsman to lovingly transform your inner life. Be made new in the radiance of His gaze.

This is YOUR YEAR! Though changes will come, God remains constant by your side. Abide in the shelter of His wings. He will lead you into places of influence you never dreamed possible. Have courage, take His hand, and step forward boldly through the open door.

Closing Prayer:

Our Father, we thank You for the gift of this new year. We advance with eager anticipation, believing for fresh vision, renewal, and greater intimacy with You. Empower us to walk in our callings and advance Your Kingdom. We love You and consecrate ourselves for Your glory. Amen.

**Happy New Year and blessings to all!**
