

Mental Manipulation Is 54:11

Subject: We need the Lord I Cor. 2:2-16

We think smart
We sound educated in our speech
But the accuracy to it all comes
from what we experience.
That's the testing to our knowledge.

WORDS

Lyrics are spirits being injected into
The web of our environment.
The ears hear, the soul grabs,
And the body behaves.
What the speaker speaks, he sometimes
Forgets his own words and them that
Were affected by his words.
They never forget!

Words can create enemies and
Words can build an army of friends.
Words can bring light into a hurting heart.
Corrupt words can bring a knife in the back.

Words have no limited distance, they can
Travel! Just ejaculate the words into
The air, the hearers will take them along the way.

Words are spoken at visitation,
In notations and by a phone call.
Loving words from behind prison walls
Can cause hatred that's found in our
Society to slowly fall Ps: 1-2

WORDS

Words come from how a man thinks.

If he thinks corrupt, he will also

Speak corrupt, and behave corrupt.

And destroy innocent folks along the way.

Sincere words from a pure heart

Without having any evil motives – “I”

Find this is only done by living by the

Word of God. Prov 3:5-12

A DEADLY THOUGHT

A fashionable casket does not give a

Description of the person that lies within it.

Who they are, or what they have done,

at that point its only memories.

As one lays reposed, their spiritual

condition still exists Luke 16:19-31

What was done.....does matter, how

It was done, matters too. John 3:3-8

Nevertheless; what was done cannot

Be undone. A deadly thought John 3:16-21

11 Peter 3:9-13; death is real and death

is unavoidable Heb 9:27 c.f. Rev 22: 6-21 Amen.
