## MINISTRIES

April 2010

My Friends,

I came down with a severe bladder infection in the evening of the last day of March. For 21 days I was vexed and for 5 of those days I couldn't even get out of bed. But let me tell you as I lay there, unable to eat, curled up in a ball, God would speak to me and I would worship because that was the only thing that would lift my spirit.

What God was showing me wasn't the good. I was seeing all the demonic activity that surrounds us every day. The hideous nature of man and how it tries to mask itself even behind those that seem to be dutiful 'Christians'. I have been followed by the Judas spirit for some time and the Lord began to show me how the enemy uses betrayal to harden ears rather than letting their own experience lead them closer to the cross. Galatians 2:20 says; *"I am crucified with Christ, it is no longer I who live, but Christ who lives in me; and the life that I now live, I live by faith in the Son of God who loved me and gave himself for me!"*

Remember! We will suffer betrayal just like Jesus but we must bear it. Unfortunately, the betrayers usually wind up allowing other spirits to jump on them as well. These are what the Lord showed me during my 21 days of sickness. There is the serpent spirit, the python spirit. How do pythons take out their prey? They have to get close to you. They don't bite you. They get close enough to try and choke you, to silence you, to suffocate you. The reason so many of you are receiving this letter so late is because those close to me have tried to silence me.

Secret indictments being written, mail rooms trying to stop this prophetic message. But know this, God will make a way where there seems to be no way! Have you noticed those who sidle up next to anyone who will listen and familiarize themselves with their prey. They will shake your hand but out will come the forked-tongue. They will try to equalize itself with their surrounding, roaming around and then will try and neutralize you so you'll let your spiritual armor down. If you're not spiritually on top of your game, that spirit will sense it and try and move in to cause you to buy into the deception it's trying to sell. Out of the abundance of the heart the mouth speaks. Listen with spiritual ears and you'll quickly sense the heart of those speaking.

Then there's the 'religious' spirit. Those wearing the white robes of righteousness by being faithful to the things that make themselves look good. Oh yes, they are involved and many of them have been for years, but only to sell themselves as 'this guy' or 'that guy'. "I've got this title because it was given to me by the people in charge", guy. Their identity is in what they 'do' rather than in who they 'are' in Christ Jesus. I know several who think that's their 'fruit', yet looking back through the years, you cannot find one person who will say "that man made a difference in my life spiritually." God wants you! Not your gifting or your talent. Those things are given without one having to repent. The world is full of talented people doing good things, trust me, I used to be one. Yet, it wasn't until I was willing to lay it all down, that He said "Ok, now I can really use you and your gifting for My glory and not your own. Now your fighting in the spirit will make it through the ceiling."

Pray for those operating that way. They may fool some men lacking discernment, but they certainly aren't fooling God. The Jezebel spirit often operates alongside the 'religious spirit.'

In 1 Kings 18:17-18, Elijah the prophet begins to confront the 'troubler' King Ahab. But who was behind King Ahab pulling his strings? Who was cutting off the prophets of the Lord in verse 4 and verse 13? This rare Hebrew word for trouble, 'akar', was also used in Joshua 6:18 when God said don't take any of the things devoted for destruction or 'trouble' will come. This is when Achan brought sin into the camp in Chapter 7 and Israel was defeated. So the 'trouble' was dealt with in verse 25. Back in 1 Kings, Elijah's claim is that this 'trouble' has 'religious' roots.

The abandonment of the commandments of the Lord and the embrace of false gods.

Religion will damn your soul, but watch out for that Jezebel lurking in the shadows. These spirits will do whatever they can to get their way. Read about Jezebel in 1 Kings 21 and how she got Naboth's vineyard for her poor, little weasel of a husband. She doctored documents. She paraded around 'religiously' with the 'seal of approval.' She even proclaimed a fast among the people to make it look like the man of God had done something wrong so they would take Naboth out and murder him.

This spirit is alive and well in the body of Christ today. Jezebel was a wicked, conniving person who would stop at nothing to get her way. Do you recognize it around you? She used false accusation and murder. Have you ever been murdered by someone's tongue? The Jezebel spirit is a depraved one who recognized nothing it does as wrong. It will wipe its hands of any guilt and it will always be stirring up strife and controversy through false authority (verse 25) But Jezebel's time came and the judgment of the Lord came through the voice of the prophet who proclaimed that dogs would eat her up which happened in 2 Kings 9.

Don't mess with God or His people in the spirit of 'religion' or back-door conniving. He sees all. As all of these things and more were dropped in my spirit, I seemed to not be able to shake this heaviness and this bodily affliction and I cried out to God like the Psalmist in Chapter 10 and I cried out "How long? O Lord, will the wicked prosper and be allowed to have their way?" The Lord answered me, "I am trying the righteous." Read through Chapter 11. And the Lord began to say what He will do in Chapter 12 and said 'the lawless prosper when the ungodly rule and vile men are exalted.

On the 21st day I awoke and my body felt normal. I lost 17lbs during this time as I was forced to fast so I used wisdom and coupled that with prayer. I got out of bed that morning, grabbed my Bible and flipped it open. Out jumped verse 2 of Daniel chapter 10 *"In these days, I Daniel was mourning 3 full weeks."* Later in verse 13 we realize that God was sending a message to the prophet to be revealed to the people, but he first revealed the sins of the people and it tore Daniel up. Do you dare to be a Daniel? It might get you thrown in a den of lions. The prince of power of the air will use its trusted demonic angels to hinder God's plan in the fulfillments of prophecy. He'll use his pythons, religious and Jezebels. Satan will always be active in trying to defeat God's purpose in the lives of His children. Don't be surprised at who he uses either. Be aware! Pray! I tell you these things for the Lord had instructed me to, and I tell you in love so as you'll recognized these things and agree with me and the lovers of God around you to send the enemy away, that the windows of heaven would open over your unit and over your lives.

I had a vision of a man with a sickle walking through a vineyard and he was looking at the trees. Some were loaded with fruit, some had a few pieces and many were bare. I asked "What are you doing?" he said, "Gathering the fruit and pruning the trees." The trees that looked lifeless and fruitless bothered me and I said, "Aren't you going to cut them down?" and He said, "No! That is not for me to do, but it is for the master

gardener. For only He knows if it is possible for them to ever be fruitful. It is not for you or me to decide." Then a throng of people appeared on the horizon and with the voice of thunder shouted, "Is anything too hard for the Lord?" There was no answer for all of us already know the answer.

You see I thought I was alone in the battle but I looked around me and men, women and even children were coming from all directions and I could hear a rumbling in the heavens that reverberated through my bones "fear not! I have redeemed you, I have called you by name, child you are mine." I have shown you these things so you would reveal them to the prisoner that they would be aware of the betrayers and join with you as a watchman on the wall. My grace is sufficient for you for where sin abounds, my grace does much more abound." Then the mighty throng of people shouted like the voice of many waters, "Who is on the Lord's side? " And we all knew.

Men of God, I write these things to exhort you to love your brothers and to bind up the brokenhearted. To call things that are not as though they are. To bind things on earth and loose things in heaven. To stir up the gift within you. There will always be a price to pay, trust me. Perhaps it's your reputation, or your calling, but know this you are the chosen. God is going to be doing some absolutely incredible things in these next several months. The windows of heaven are opening and He's coming with grace and power. A refreshing is on its way!

We just finished Kairos #4 and I tell you it was absolutely glorious to see God move in the lives of 42 men who didn't know what hit them until it was too late! To God be the glory! I was able to speak words of encouragement to them serving them and this was during the 15-18 day of the attack of the enemy on my body. I was running on God's fumes which were so much better than my own anyway. Through our weakness, He is made strong! Man of God don't bow to the enemy or whom he uses, bow to the King of ALL Kings! Though there be evil, righteousness shall reign! Begin to proclaim it over your life and where He has you right now. Revival IS coming! Revival IS coming! Jeremiah 24: 6-7 says:

*"I will set my eyes on them for good, and I will bring them back to this land. I will build them up and not tear them down. I will plant them and not uproot them. I will give them a heart to know that I am the Lord and they shall return to me with their whole heart".*

Be the one.....

You are my brothers
