

CHIEF MINISTRIES

December 25, 2010

To all my brothers in Christ!

Merry Christmas and Happy New Year! Chief Ministries has been in existence for five years now. We've blessed countless prisoners all throughout prison systems in several states with literature, Bibles, and letters and cards of encouragement. It has been a blessing to serve you and bless so many. We are humbled at the impact and the growth. Never would I have dreamed the impact when God told me to write and love through the pen, doctor the soul of the prisoner. I didn't realize how powerful my own experience would empower those who have come in contact with us. 1 Timothy 1:15 has never rung more true: *This is a faithful saying, and worthy of all acceptance, that Christ Jesus came into the world to save sinners; of whom I am chief.*

God spoke to me on Christmas Day 2005. He always does on that day, others too, but it's always special to me on that day. That day, He said "I want my heart in every felon". Thus, CHIEF, Christ's Heart In Every Felon Ministries was born. It's just an interesting side-note that I am a Chippewa/Cree Native American born on the Indian Reservation in Wolf Point, Montana, and they call me Chief here and there. I look forward to one day meeting many of you should the Lord allow. I was once "chief" of sinners, now I'm on the Lord's side. This year, today, He once again spoke to me an interesting statement. He said "it's for you", so open up your heart and hear from the Lord. As the New Year is upon us, look back at the past year. I pray you can look down at it from a new, better level. If not start fresh again this coming year. I look forward to sharing more revelation with you in 2011! You are my brothers!

"My son: You mean the universe to Me. You are the center of My focus every day. I have nothing but the best planned for you. You'll never have want for anything again. I will meet all your needs. Will you just take the time to ask Me what you will and it shall be done? My only requirement is that you believe. You believe for everyone else, it's time to believe for yourself. That is not selfish. It's selfless, because you've stopped thinking you can do it. You begin to Know only I can. There it is! That's faith! Sometimes it only lasts for a second, but that's when I catch it and My will is released in the heavens. After that, I ask you not veer off into trying to figure it all out. If My thoughts were yours, we'd never get anywhere would we. Ha ha ha, but that's why I love you so much, because of that freedom of spirit and expression you've been freely given. All I've asked of that is that you'd acknowledge Me and what a great path I'd show you. I'd light it up for you so that the whole world could see how good it can be for you and for them. It

makes Me happy when you look like that pattern for it resembles Me. Perhaps you are to try and have others look like you if you look like Me. I say these things not to confuse you, but so that the world through you might be saved. No, No, I know you're not THAT Son, but you are one of mine none-the-less. Obedience is better than sacrifice. Hmmm. I'm waiting, but mostly watching. I've asked you to walk before Me and yet many of you don't understand that I can still lead you from behind. Yes, I'm back on that faith talk. Go for it! be the leader! Just speak truth in the land of the living, in the way of good, in liberty, in My name, humbly and worthy of the calling. I'm not going to change My mind as if I made a mistake. I don't do that. I will reward you accordingly. I am just, though you've sometimes felt My scales were not fair. Ultimately, if you hold on, you'll see the judgment of the Lord, pray you are on My side. I am merciful. I'm glad I made that to be unending. Even time will end one day. But not My mercy. That was one of my better creations. Wouldn't you agree? Hope! Don't lose it! Or your heart will be sick. Experience it! I'll never use it to shame you but to bring My glory down to shine on that experience. It might not look like what you've hoped for in the end, but trust Me, I'm seeing the bigger picture and I will get the glory, but so will you for you are to be in Me. This is where the Holy Spirit gets to move in. He is the Comforter, isn't He? I open the eyes of the blind, I raise those that are bowed down, I feed the hungry and O yes, I loose the prisoner. I love you, I'll preserve you. I'm gracious. And I am the restorer of all things. I love a repentant heart. Stay in My love, don't leave it. It brings so much joy to your existence, our friendship. You do know I chose you, don't you? It's like going to the market. I choose only the best. Join Me and your brothers. This is perfection! It's what I'm looking for. You mean so much to Me. Make the family proud. I'll declare it in the heavens and you'll get the prize and the crown. I'm having them custom made just for you. I'm waiting. With love.....Dad"

PS. He's so, so good to us, isn't He?

Be Blessed!

Love,

Chief
